

LAMMERSHOEK's MYSTERIES DIE HARDE BLAAR 2016
(Harslevelu)

Something truly unique.
One of very few vineyards of Harslevelu in South Africa.
Originally planted by Desiderius Pongr acz himself in 1980.

Initial notes of spice rounded off with elderflower notes.

IN THE VINEYARD & VINIFICATION

Farmed dry-land, thus not irrigated. With only 2 HA of Harslevelu on the farm we produce a limited amount of this special wine. The grapes were handpicked early morning and cooled overnight. The whole bunches were pressed in a basket press. A portion of the juice was left on the skins to build on the complexity and mouthfeel of the wine. The wine fermented naturally and no stabilization was done on the wine. Bottled after 8 months of aging.

COLOUR: Lime Green colour with a golden edge

NOSE: Beautiful floral notes with elderflower being prominent. Hints of spice with nutty notes.

PALATE: Sophisticated palate with a refreshing mouthfeel. Notes of honey, peaches and spice.

GRAPES: 100% Harslevelu

ANALYSIS: Alcohol: 12% | Residual Sugar: 1.7g/l
PH: 3.17 | Total Acidity: 6.8 g/l
